Dear Saints of God,

Christmas greetings to you in the wonderful Name of our Beloved Saviour and soon-coming King, the Lord Jesus Christ! Regarding the announcement of Gabriel to Mary concerning the divine conception of Jesus, *Mary said, "Behold, the bondservant of the Lord; may it be done to me according to your word."* Luke 1:38a

Thank you and may God bless you for your faithful prayers for us and this work this year! Thank you for your generous support! Thank you for your thoughtful notes and letters of encouragement! Thank you for listening! One of our listeners in Grenada made this beautiful plaque for us as a "thank you!" He wrote "Greetings in the Name of our Lord and Saviour Jesus Christ. May He continue to shine upon you and keep you as a powerful outpost of His - preaching and winning souls unto His Kingdom until He returns. I believe He laid upon my heart to send you this token of my appreciation of you and the many blessings I have received because of your radio station's presence. May God continue to bless you and grant you your every wish in Jesus Name." Thank you, brother Paul!

The Lord gave us a blessed week of our Fall Radio Bible Conference to commemorate our 27<sup>th</sup> anniversary and usher in the Christmas programming. We trust that you were listening and that the messages were timely and powerful for your life. We thank the Lord for those who requested the messages and pray that the seed of the Word of God in these more than 40 hours of concentrated preaching will produce abundant fruit for God's glory.

Every year at this time we distribute about 2000 pocket calendars with a brief Gospel message on the back. People eagerly look forward to this little calendar each year and often ask about it as we get close to the end of the year. Many who receive them do not know the Lord. Pray that they will read the Scripture on the back and that as they reference the calendar this year that God will urge them to listen to the Harbour Light.

God was calling Mary, the mother of Jesus, to a total surrender of herself and her life to His will. Like Mary, God is calling each one of us to this "higher ground" in our walk with Him. He is calling us to look away from the world; away from ourselves; away unto Him! How are you responding to His call? Have you been going on with God in your Christian life and daily living - walking in the Spirit each moment of every day? Are you closer to the Lord now than you were a year ago, a month ago, a week ago? Are you living the Christian life in your heart? Are you seeking God for a spiritual need that He is dealing with you about in your life? Are you spending less time watching TV, using social media, surfing the Internet etc., and more time praying, reading your Bible than you have before? Do you pray and search the Scripture for answers to life's problems or do you ask "google"? Are your personal (dress, music, friends, entertainments etc) convictions, standards, and motives stronger, clearer, higher (more biblical, Christ-like) than they have ever been? Do you feel closer to and more comfortable with the people of the world than you used to feel or less so? Are you where God wants you to be and doing what God wants you to do? Do you know where we are in prophetic Scripture? Are you watching and longing with joy for the second coming of Christ? These are a few good questions to ask ourselves as we end this year in anticipation of the new year. May the Lord help us to honestly, diligently, and carefully walk on with God every day...
