Dear Citizens of Heaven,

Warm Christian greetings to you in the worthy Name of Him who is true and the true God, the Lord Jesus Christ! ***And we know that the Son of God has come, and has given us understanding so that we may know Him who is true; and we are in Him who is true, in His Son, Jesus Christ. 1 John 5:20***

We have been experiencing some trouble with our AM transmissions and apologize to those who are receiving a weak signal or no signal at all. Brother Richard and Brother Leroy have been doing their best to describe the trouble to me, but so far the reason for the reduction in power is unknown. Please pray for wisdom as we return that the Lord will help us to discover and resolve the problem quickly. Praise the Lord, the tower and temporary guy wire replacements have been holding fine - but waiting patiently for the upgrade. Upon our return, we will also be working toward getting those guy wires replaced as soon as possible – your prayers for that are also very much appreciated! Pray that God will provide a helper for this project.

Yes, our “traveling days” are nearly over. We now have our tickets to return to Carriacou on Monday, the 20th! Sharlene and I will be returning with just our three youngest children. We praise the Lord for taking care of us all these months and for taking care of His work in Carriacou while we have been away. It has been a very blessed year in many ways but it is time now to return to the place the Lord has called us and to continue doing the work He called us to do. We see with renewed vision the spiritual importance of the Harbour Light ministries. We also look forward with great expectation to seeing the Lord's increased blessing on the work even in these last days of end-time apostasy.

My family and I wish to extend a heart-felt “Thank you!” to all those whom God used to bless us during our USA assignment. We are very grateful for kindnesses shown, hospitality rendered, prayers offered, and most importantly, the spiritual fellowship. We traveled more than 16,000 miles this summer visiting churches, friends, family, and even a number of parks and other “tourist” spots. Praise the Lord, we experienced no real trouble with the vehicle, nor were we involved in an accident – though we saw many! God is so good! Thank you for your prayers! Thank you for your support!

Praise the Lord for who Jesus is! He is God the Son as the verse above so clearly states. He came to earth and those who belong to Him are in Him. He has given us understanding so that we may know Him – the Living Word through the written Word. Jesus said Himself that He is The Way, The Truth, and The Life. The Way to God Salvation, The Truth that we need for Spiritual life, The Way that we are to live the Christian life here in this world as a light that “so” shines as a testimony to this world and a glory to God. May we live in the fullness of the privileges we have in Him and never tire of...
