Dear Praying Friends,

I greet you in the Name of the Lord of Life, our Saviour, Jesus Christ! He said in John 10:9-10 *I am the door; if anyone enters through Me, he will be saved, and go in and out and find pasture. The thief comes only to steal and kill and destroy; I come that they may have life, and have it abundantly.*

Our family recently attended the memorial service of a man named Bill Greaves. You may not know him, but you have been blessed because of him for many years. He became a good friend to my father and to me. He was an engineer and my teacher – teaching me Broadcast Engineering in the 1980's. He also built several pieces of equipment for us, including our main audio console which we are still using today – more than 26 years later! His technical and educational expertise helped build the Caribbean Radio Lighthouse in Antigua back in the 1970's as well as several other Christian radio stations over the years.

The Lord is making it possible for us to visit a few of our supporting churches and individuals that are close by. We look forward to visiting a few more before our family sets out on a road trip this summer to try to visit as many more of our supporters, broadcasters, friends, and family as we can. We have a DVD put together to help give an update on the work here. It will be available on our website sometime soon so you can view it and share it with others who may be interested in knowing more about the Harbour Light. Pray with us for the Lord's provision of a motor home for our family travels this summer.

Brother Richard called me the other day to let me know we had a hole in the radiator of our main generator. We have had quite a few problems with this unit since we got it about 1 year ago. Pray for Richard and Leroy as they get the radiator ready to ship to Trinidad for repairs and that the shop will be able to repair it quickly and return it soon. Praise the Lord for the “little” back up generator keeping us on the air while we wait. Mama C, Francina, Leroy, Richard, Jane, Roxanne, and Brittney are well and send their greetings and their appreciation for your prayers for them.

We continue to praise the Lord for the good response from listeners. My father used to say that we do not necessarily pray for a lot of listeners, but we pray that God would cause to listen just the right people - those in whom the Holy Spirit is working, that God would prepare just what they need to hear to grow and become all that God wants them to be in their Christian life. Here's a precious note from one such listener. “Dear Brother Randy, You know, I am so burdened because of the present state of the church....indeed we are seeing the fulfillment of God's holy Word. Brother, the enemy is very subtle therefore we all must keep our eyes on Jesus more than ever before. We dare not trust in our own strength or understanding. May your visit with the brethren be one of inspiration and sweet fellowship, a time well spent! God's blessing on you, your family, the team and on my fellow brothers and sisters who are listening in.”

Listen for our Spring Radio Bible Conference! Palm Sunday through Resurrection Day. May God bless you for your faithful prayers and support! May the Lord anoint His Word as it goes out, our our ears as we listen, and our lives as we faithfully and carefully obey in every part!

Spreading the WORD,
