

15 January, 2018

Dear Citizens of Heaven,

Grace and peace to you from our Heavenly Father and His dear Son and the blessed Holy Spirit. ***Finally then, brethren, we request and exhort you in the Lord Jesus, that as you received from us instruction as to how you ought to walk and please God (just as you actually do walk), that you excel still more. For this is the will of God, your sanctification! 1 Thessalonians 4:1, 3***

Thank you for your prayers for Lily Little. After a delay due to flight cancellations in the aftermath of an unusual winter storm, she has arrived at Foundations Bible College accompanied by Sister Kisha Isaac. Lily appears to be making the adjustment well to her new adventure with God. Continue to pray for her. It is evident that the hand of the Lord is upon this young lady. Pray for Brother Richard and Sister Francina Little as they let their dear daughter follow God's will for her life. Pray for Sister Kisha as she begins her return trip home to Carriacou this evening.

My dear mother, Arlene Cornelius, is presently in the USA after receiving the news that one of her three sisters was called up to be with her Saviour and Lord, Jesus Christ. Mom flew up with Sisters Lily and Kisha to New York this past Wednesday and then on to Indiana to be with her family for the funeral service. Mom will remain in the USA until later this month when I will accompany her back to Carriacou.

Brothers Leroy and Richard both reported to me recently that we have another modular failure in our AM transmitter. I attempted to resolve one module failure while I was there in December, but the parts did not arrive in time. Now another module has failed further reducing output power. Pray for me as I anticipate what is wrong and order parts now to take with me when I take my mother home to Carriacou. Pray also for wisdom and strength to take care of other maintenance needs while I am there. I plan to stay for two weeks before returning to my family in North Carolina.

We have now entered another year and our desire and heart's cry to God is for wisdom, strength and the Holy Spirit's anointing to continue faithfully "living for Jesus a life that is true trying to please Him in all that we do" which includes doing this work that God has called us to. Thank you for your faithful prayers, encouragement, and support! May the Lord bless you in this new year as you continue to walk on and please God each and every day. There is no doubt in my mind that we are in those prophetic days described in the Word of God in 2 Thessalonians 2 as the falling away or apostasy. This world is in a mess! The coming of the Lord is near! We must not, we dare not stop...

Spreading the WORD,  
Randy Cornelius & Staff  
1 Thessalonians 4:16-18
