12 January, 2021

Dear Citizens of Heaven,

Greetings in the Name of His Majesty, the Lord Jesus Christ! And so we have the prophetic word made more sure, to which you do well to pay attention as to a lamp shining in a dark place, until the day dawns and the morning star arises in your hearts. 2 Peter 1:19

We praise the Lord for giving us the privilege of seeing the dawning of another year in His precious will in order to continue to proclaim the glorious gospel of Jesus Christ. When we look back at all that happened last year and at all that the Scripture says is coming up on the horizon of time, I am glad to be in the service of the King of Kings and Lord of Lords!

Thank you for your prayers for my dear Mother, Arlene Cornelius (affectionately known here as “Mama C”). The Lord has helped her to finish choosing the pictures & to send everything on to the formatting team! Pray for these two final stages – formatting and printing. We will let you know when the book will be available!

As I made my way around the Harbour Light campus checking equipment yesterday morning, I was thanking the Lord for the privilege and responsibility of sending out the Light of His precious Word to hungry souls. A listener called the other day to express her deep appreciation for the programming & mentioned that her (formerly good) church offered her nothing by way of spiritual nourishment. Her only spiritual food comes from the Harbour Light. Help us pray that God will strengthen us to keep our equipment in good repair. Our main generator recently passed 16,000 hours of operation (equivalent of driving almost 900,000 miles!) with only minor problems so far. God has done that! Recently, Brother Leroy has again been doing routine maintenance on the tower and Brother Richard is getting us caught up downloading broadcasts and preparing them for airing. Sister Francina and “Mama C” faithfully labour in program preparation & scheduling. Francina also keeps our studio and office buildings clean. Thank you, Sister Francina! Since we are still not able to send or receive mail to the other islands, most of our Home Bible Study students have not been able to continue their lessons. Pray for wisdom as we seek new ways to provide their materials. My dear wife, Sharlene, has resumed Harbour Light Christian Academy for this term after safely returning from a precious Christmas visit with her father and 6 of our children in the USA.

I hope you have been keeping up with what is going on in the world by reading your Bible! Truly, the prophetic Word is more sure than the news media (not to mention social media). We need to know our Bible in these days more than ever before. As the days darken and many, even professing Christians, begin to show their true colors, may God make us shining lights to a lost world. Even as the Menorah in the Tabernacle was of pure beaten gold (symbolizing the sufferings of Christ and of believers) and shone brightly, may we let our light so shine before men that they may see our good works - those works that God has before prepared for us to walk in - and glorify our Father in Heaven. As followers of Christ, we expect persecution to come in these last days. May God give each of us such a rest in Christ that we will be enabled to count it all joy and keep on…

Spreading the WORD!
